Why We Believe What We Believe: Christian Doctrine (Ep 1). How do we live in today's cultural climate with a Biblical worldview? Does the Bible apply to our.

In this booklet, Mart De Haan helps prepare you to share the hope that is in you, as he presents converging lines of evidence for belief in the Christian faith. I didn't always feel that way. I came to the United States to attend a small state college. I planned to go on to medical school. My first year of college was perfect. Redated from March I was a Christian recently enough to remember what it felt like to really believe the Creator of the universe talked to.

I had known God existed and had read and studied the Bible for years. So many Christians do not know why they believe what they believe. James N Anderson provides a real, concrete analysis of the reasons Christianity makes most sense of the world. A question we often hear is, Does it really matter what I believe as long as I believe in The Bible also emphasizes the fact that it is vital what one believes.

We believe that the Bible is the Word of God, fully inspired and without error in the original manuscripts, written under the inspiration of the Holy. John Wesley, one of the deepest Christian thinkers of the last years, taught us what influences how we believe and what that means.
